

Questions & Answers

RFP2014-02 County Billing Audit Service

2nd set of questions

1. How many facilities are served by the services to be audited?
Webb County has 60 different facilities. Some of these are much smaller than others.
2. What is your annual telecommunication expense for a) wired services and b) mobile services
 - a. The following expenses are estimated yearly expenses

Telecommunication Circuits -	\$80,000
Cell Phones	\$50,000
Water	\$503,000
Gas	\$30,000
AT&T (all inclusive of services)	\$500,000
3. After the bill is awarded will the county agree to provide at least a current month bill image for each account?
Webb County will do everything possible to facilitate the work of the selected vendor. These requests can be addressed during the contract period.
